

TCS BIOSCIENCES LTD, CHANGE NOTICE: CCI 117

To: Customers and Distributors of Selectrol

It is our intention to make the change listed below. The details of the change and the reason for it are given below.

Please acknowledge receipt of this notification and confirm your acceptance of the change by completing the section below and emailing a copy of the form to qc@tcsgroup.co.uk. Acceptance of the change is assumed if a response is not received within two weeks of issue of this notification.

If you have any difficulties or concerns accepting the change, please contact us immediately.

Product: MM89 Salmonella poona NCTC 4840, 25 disc format

Product code: MM89-25 (25 disc)

Proposed Change Date: 1 July 2023

Change Details:

MM89, 25 disc format will become obsolete from the Selectrol product range.

Reason for Change:

MM89 is currently available in 10 disc and 25 disc format. Following a review of product sales a commercial decision has been taken to make this Selectrol strain available only in 10 disc format from 1 July 2023.

I understand and accept the changes proposed to the product given above.
